CAR RENTALS AND PARKING INFORMATION

Car rental agencies providing automatic cars are found at the airports of Larnaka and Pafos. Disabled visitors are advised to contact car rental agencies for special arrangements prior to their arrival.

Parking spaces marked for disabled drivers are found on most of Cyprus central roads and squares, at the airports, ports and marinas, at public buildings, at most of the seafront and other tourist resorts, at many tourist establishments and shopping centers etc.

The EU Blue Badge is recognized in Cyprus. It is a standardized European Community disabled person's parking permit which provides parking entitlements to badge holders in all complying European countries - a Blue Badge from one country is valid in another. Persons coming to Cyprus from another EU country can apply in their home country for this universal badge which allows the use of reserved parking.

To apply for a Blue Badge in Cyprus you may contact the Department for Social Inclusion of Persons with Disabilities (see contact details below).
